Baseball is for All!

LLL's League of Champions is derived from the Challenger Division of Little League Baseball, where boys and girls with mental and/or physical challenges ages 5 – 22 are offered the opportunity to participate in an organized game of baseball in our community. Playing with the same equipment on the same fields, League of Champions participants will experience the joys of pulling together as a team, being cheered by the crowd, and earning awards for their efforts and achievements.
